

WINGS: Women IN God's Service

On Saturday, July 30, WINGS took over 70 bags of watermelon, cantaloupe, and grapes to our Super Seniors. Special thanks to all those who participated getting the fruit ready and delivering. We had some great visits and everyone enjoyed some cool fruit on a hot day!

Our next WINGS meeting will be Sunday, October 9, at 4:15 pm in Room 105. Come join us as we make plans to visit our Super Seniors and Shut-Ins in October with another special project. We are always looking for new ideas and need your input!

Watch the bulletin for more details and date. We are going to have a special arts and crafts project to make some cards for our Shut-Ins, and we hope all the ladies will join us.

We will have the Pumpkin Decorating Contest Fund Raiser for Pre K thru 12th grades on Sunday, October 30, with the Men's Chili Cook-Off after the service. The proceeds will go to Sister Janice Williams in Houston, TX for a Christmas party and presents for about 30-40 kids. There will be a potluck after the service. We can't wait to see all the creative pumpkin ideas and taste the delicious chili!

WE LOVE SUMMER!!! Camp, VBS, Summer of Fun! You name it, we did it and more!

Summers are always amazing when you get to spend them with a group of teens like this! Camp, Lake Day, leading in VBS, Serve Weekend, and much more made for a fast-paced but incredible summer! I'm already looking forward to the next one!

CALL Mall: Children of Arkansas Loved for a Lifetime

The CALL Mall has been very busy this summer, starting with the Church holding an indoor yard sale on June 18! It was sooooo hot, but people came to buy! We made over \$1,300!! Thank you to the men and women who helped set up, sell, and break down the yard sale. We had so much stuff that we were unable to put it all out, so we are having a second sale on Saturday, October 8. We would appreciate all the help we can get!

The Mall itself has been busy with the starting of school!! The Mall had some formula that had been donated just before the formula shortage, and it was snatched up very quickly. We've had all kinds of strollers, bikes, bouncy seats, books, etc., donated this summer. There have been many getting school supplies, backpacks, and school uniforms over the past month or so! The backpacks were donated by Cornerstone Church and the school supplies were bought by monetary donations given to The CALL Mall.

The family of Mrs. Shirley Starks (known as "Honey"), who was a volunteer for many years in the Mall, designated The CALL Mall as the organization to donate to in her name! We are so blessed by those donations!! We are also blessed by many other donations, including clothing and other children's items!!

Thank you Victory Baptist Church for your support of this ministry!

RIM: Remote Island Ministries

The RIM crew returned to Palau in June after visiting Indonesia for several months. This was the first voyage for the Hopkins family! They have been quite a blessing to the ministry already! RIM plans to return to the Sunda Islands of Indonesia soon.

Bro. Glen did not make it to the ABA meeting in June this year, but Michael Driggers was there manning a booth representing the ministry.

A church stateside asked Bro. Glen to make some videos for their VBS last summer. Bro. Glen was happy to do so and posted five short videos on Facebook.

Living on a boat, Bro. Glen sees many things that those of us living in a land-locked area see seldom, or even never. In July, a Japanese Naval Destroyer showed up as a new neighbor!

Japanese Naval Destroyer

RIM has been without the *Eagle* for over a year, since she was damaged in the typhoon in April 2021. She was left in Palau during the voyage to Indonesia earlier this year. When they returned, they began work to repair it. They hope to have her seaworthy soon.

Fellowship members

Since returning to the port in Palau, the Knights and Hopkins have been gathering with fellowship members on the ship instead of the rented facility they used before. After prayer and worship, they sometimes enjoy a delicious meal!

Bro. Glen plans to sail for the Philippines to work in the Visayan Sea soon.

However, he needs to find a crew first. All

their crew members served their terms and moved on. Please pray that they are able to find a crew so they can continue their work!

VBCH Co-op

This is the third year of our co-op! We have several new families and a total of about 70 students this year! We have a great group of parents who are quick to help in many ways, from teaching a class, to suggestions on how to improve our procedures, to lending a hand with whatever is happening at the moment. And the kids all have a great time! Below is a picture of Bro. Larry leading the closing assembly.

MDO: Mother's Day Out

We are excited about our second year of MDO! Our new director, Amy Patterson, worked hard to get things ready for this year. We have a few new workers and several new students, and they are all having a great time! We still have a few openings!
