

## RIM: Remote Island Ministries

Bro. Glen and his family have been living on the *Nativa* for almost ten years now, visiting many people in different areas in the Western Pacific Ocean. People often ask what life on the ship is like; he tells them it is much like life anywhere else!

After spending two weeks in Jakarta, Bro. Glen and Summer Knight were very excited that they were approved for a long-term stay in Indonesia! They soon left North Sulawesi on a voyage headed to Ambon Island by way of Ternate and Babang on Bacan Island. The short stay in Babang Harbor allowed for a bit of rest and a bit of work on the ship. They arrived at their destination after a journey of about 10 days, just in time for Bro. Glen to participate in a Mission Conference in the states via teleconference.

*Kedge anchor*

*Making furniture*

When they arrived in Ambon in the dark early morning hours, they lost their anchor and chain due to a problem with the anchor windlass they thought had been corrected. The effort to retrieve it was not successful, so they are using an old storm kedge anchor that will work until they are able to replace the lost anchor and chain.

As they arrived in Suli Bay a couple of days after arriving at Ambon Island, the family of two of the crew members, Kevin and Dimon, were at the shore to greet them. What a sweet sight for Kevin and Dimon! One of the first tasks they had was to order more Bibles to give out, as they didn't have many left. Praise God!

They spent a day in Suli and Ambon and met several people, including a furniture maker, from whom they plan to purchase blinds for the ship, and employees at a fish processing plant, where they bought fresh fish. Strong winds were expected, so they sailed around the island to Tulehu Harbor, where they were more sheltered from the winds.

Bro. Glen and Summer were in the states for a few weeks in October and November to see family. It was good to see them when they made a surprise visit to Victory in November on their way back to Indonesia!

*Handing out Bibles*

*Tulehu Harbor*

If you are a Victory Kid, you are never without something to do! Sunday School, Sunday morning kids church, Sunday night Awana, and Wednesday night kids church are sure to keep you busy! And if that isn't enough, you might find yourself doing something like going to a Fall Fest, or even taking a trip to the trampoline park! Whatever it is that you find yourself doing, you can be sure that you will be surrounded by people that love you and are eager to lead you closer to God! It's a good time to be a Victory Kid!!!

Although Fall is full of change, some things stay the same—like how much fun it is to be a part of the Reflect Student Ministry! Along with striving to foster a love for the Word of God, we seek to create opportunities that encourage students to grow their love for one another. Whether it is serving through setting up and running games at Fall Fest or showing up for a game night or trip to the trampoline park, we are always having fun together!

# WINGS: Women IN God's Service

On September 15-16, eight ladies from Victory attended the ABA Women's retreat in Benton. Kelly Anderson Wright was the speaker and she did a marvelous job. The theme was Rejoicing.

Wings sent a love offering to Bro. Kim and Janice Williams for their 40th wedding anniversary. Their children sent them on a cruise.

On Sunday, October 29, we had the potluck and Pumpkin Decorating Contest and fundraiser. WINGS sent a \$2,500.00 check to Bro. Kim and Sister Janice Williams for their kids Christmas party in

Houston, Texas. Thank you Victory Church for your generosity; this will make such a difference in the lives of those kids! There is still time to give, just put a note on your offering check to

designate to Kids in Houston and we will send any additional money to them. Thanks to everyone who pitched in with all these activities!

These are the Sonic Gift Card winners from the Pumpkin Decorating contest: Pre-K – Kindergarten, Josie Foreman (Painted Pumpkin); Grades 1-3, Priscilla Burke (Elsa); grades 4-6, Rhilynn Ireland (Pumpkin Spice Latte); grades 7-9, Makayla Trueman (Cinderella's Carriage); grades 10-12, Jack Campbell (Jack Skellington); Adults, Kristina Adams (The Stage at Victory).

On Saturday, November 4, PINGS (People in God's Service) helped prepare, package and deliver shredded BBQ chicken and goodies to our Victory Super Seniors. We had a beautiful day and made lots of wonderful visits! This project was dedicated to the memory of Peggy Hallmon for all her years of service in WINGS, and Harvey Penn, who continued to visit folks until he was unable. We remember these two saints and their examples of loving God and serving others. Beverly Skarda, Bob and Carolyn Hanks, Carole George, Carolyn Scroggins, Colette Green, Dena, Wenzler, Jeannette

# Rooted

Several ladies in the Rooted ministry met together in October at Casa Mexicana for a time of fellowship. Linda Driggers led a short devotional on God's love for humanity after sharing her testimony.

Over the summer, we partnered with New Testament Missionary Baptist Church in Lonoke to collect items for the Navajo Nation in New Mexico. Through the generous donations from the church, we were able to pack and send 60 boxes for the children and teenagers. We are looking forward to being able to donate boxes again next year and share the love of Christ through those donations!

"I thank my God upon every remembrance of you. . ." Philipians 1:3

## WINGS continued

Morgan, Jennifer Key, Joe and June Owen, Kay Mobley, Kristina Adams, Michael and Linda Driggers, Wilma Weeks, and Annette Pennington were a big help!

WINGS needs a lot of help when we do a project for the seniors. If you would be willing to help make cookies, sack up goodies, or go and visit some of our sweet seniors, please let Annette or Jennifer know. We also appreciate your donations to WINGS so we can continue to do these special projects.

All ladies are invited to the Ladies Christmas Party on Saturday, December 2, at 11:00 am! This will be co-hosted by WINGS and Rooted. Bring a finger food to share and a contribution for the love offering for Summer Knight, Angellah Lambert, and Janice Williams.

## MDO: Mother's Day Out

MDO 2023-2024 is going strong! We had a few changes this year that have allowed our program to grow. Last year we had three classes: one-year-old, two- and three-year old, and four-year-old classes. This year we added a baby class—which is FULL—and we divided the two- and three-year-old class, for a total of five classes! We are so blessed to be able to love on

these kiddos and their families each week. If you would like the opportunity to love on some super sweet kids, we are desperately in need of substitute teachers. If you think you may like to be added to our sub list (we don't call often), please let Amy Patterson or Alice Austin know.

Thank you so much to our Victory family for praying over and supporting our MDO program!
